Hi Kathy,

See attached. It is my impression that this is not the final version that will be used. Instead, my impression is that Elaine was asked to provide a blurb that will be incorporated into a larger document. I sent her an old briefing, from which she came up with this, which I then edited. At this time, I don't know when or how this information will be conveyed to Stan.

Please send me the Rosemont summary that you and Elaine prepared for Stan Meiburg.

Thanks -
